

The Delmatics News

The Melbourne Airport Club Closes

The Delmatics will play one final rock and roll afternoon at The Melbourne Airport Club on Sunday the 26th of June. This will be a free event to thank all the regular patrons, as well as the members and staff at the club, for their support and hospitality since our first event there on Sunday the 2nd of September 2012. This was the first appearance of the re-formed Delmatics.

The club was financed and built by its members in 1983 on land leased from the Australian Government. This year the government declined to renew the lease for the sight forcing the club to close on the 1st of July. The building will be bull-dozed to make way for a huge new surf-park pool complex.

We invite all our friends and rock and roll fans to join us on Sunday the 26th for a free afternoon send off for The Melbourne Airport Castle. Besides our old favorite dance tunes we will also play some new songs.

The Delmatics' New Drummer.

We are thrilled to welcome Mick Glover to The Delmatics as our new regular drummer. Mick worked with the band early in February when we played for The Jukebox Rockers in Geelong. He stepped in for Nic, who was suffering severe back pain at the time. Nic resigned the following week. Thank you, Nic Pitman, for your friendship and for helping us reform and re-establish The Delmatics.

Mick adds great energy to the band, and with the extra rehearsals we have also strengthened our vocals to become the best harmony band in the local scene.

Ian Hooper – The Delmatics
